

# Brightwheel App information:

We are very excited to introduce the Brightwheel app to our school. This app is for communication between parents and teachers. It will let you see pictures of your children during the day and give you an easy way to address concerns and questions to our teachers and visa versa.

Payments and invoices will be automated through Brightwheel. You will receive a monthly invoice which will automatically be paid through your bank or credit card or whatever form of payment you wish to enter towards the end of the month.

You will be receiving an invitation via text to join Brightwheel and create an account to stay in touch with your child's activities during the day.

Brightwheel has some great, short, tutorial videos on YouTube for a quick startup. If you go to YouTube and type in the search box "Brightwheel: Parent Sign up" or "Brightwheel: App basics for parents", you will be on your way:)

Please let me know if you have any questions regarding this app. We are hoping to be up and running fully with it by next week. Please watch your texts for an invite.

Thank you!  
Regards,  
Kerry
